I was shopping at a hip store for my neice's birthday. I wasn't quite sure what to get for a twenty-year old that was into cotton candy and vampire movies. The sales girl was extremely cute, oh, and very helpful.

Sammy & Bella

I told her what I was looking for and she helped my find a great gift. I paid and started to leave when I heard another customer giving my sales girl a hard time about returning an item. I left and came back at closing time. I found my girl and told her I thought she was right.

Bella seemed distraught so I offered to buy her a cup of coffee. She smiled and agreed. During the cafe visit, we decided to grab a quick bite to eat. During our bite, we decided to go back to my place. During the time at my place we started kissing and finally ended up all over the sofa and floor, naked and licking and sucking on each other. She finally left with a smile on her face. And I had a big one on mine, too.

It seems the older I get, the more men want to get into my ass, but there's no way. That's what pussy is for. The ass is a one way street in my book. Now don't get me wrong, I'm no prude, I've tried it once or twice but it's not for me.

Jules

I want my pussy fucked and fucked right. By a man with a big cock and knows how to use it. If not, he's useless to me no matter how handsome he is.

But just because I don't want my ass fucked, I do like it licked, and I like to reciprocate it to the man. They all find it quite stimulating and enjoy it as a part of foreplay. If you haven't tried it in your sex life, then I heartily endorse it for both sexes. Try it in the 69 position. You'll love it!

Dear Editor;

Barry G., my lover, and I are both long time professionals and we're extremely well respected in our community. Because we both travel for work, a lot, it's difficult to find much time to spend together. When we are at home, we set the place on fire with our heat and rarely leave the bedroom. However, when we're apart we've found that today's technology really helps. With phones and tablets, we're able to see each other and so we've come up with some games we can play together when we're not together. We spend endless hours on the phone, and have the most erotic aural communication one can imagine. We plan these calls as if they were actual dates. I dress in my crotchless panties, garter belt, and no bra.

Before the call, I'll get my favorite dildo and a glass of champagne, lower the lights, and become extremely aroused awaiting his call since this has taken place several times. The mere anticipation of what's to come makes me

Gotta love Cheyenne's style!

A year hasn't passed that I haven't been following Cheyenne's sex life. To me, she captures the perfection of a truly sexual woman. She's ruthless, relentless and won't stop until both she and her man have climbed over the top. And I love that in a woman. Her sexual acrobatics in the bedroom are of Olympic caliber. I can't say that I really remember the first time I saw her, but about six years ago I saw a video with her in it and she has stuck with me ever since. I love her fake, but very nicely done perky boobs. And I especially like it when she puts her legs over her head and exposes both her pussy and ass hole to her partner. I even like it when she does herself in that position. Please let her know that I've written this note about her.

crazy. When the phone rings, I'm lying on my back, sipping my champagne, fondling my hard nipples and feeling my moist pussy. He's also always naked, and since I've never seen him in a flaccid state, a vivid picture in my mind sets the stage.

He starts by telling me what to do with my hands and the dildos. If he sees that I'm going to come too fast, he tells me to stop. I always do exactly what he says. It's too exciting to stop and I beg him to let me continue. In turn, I constantly tell him my body's reaction to his commands. This arouses him to multiple orgasms throughout our call. When he senses that I cannot last much longer, he will tell me to slowly put a dildo into my pussy.

By this time I'm on my stomach, rubbing my sensitive breasts. We often will come together, then start all over. We do this almost every night. We each have battery boosters for our phones and unlimited minutes, of course. Sometimes the impact of these erotic

sessions is so great, I'm satisfied for weeks. Talk about safe sex!

– Bailey G., St. Louis

Dear 50+,

I'm a 55-year-old happily married woman. This is my third husband, and as they say, third time's the best. And he is. Until recently, I thought I had been very content with my sex life, but now I'm a little confused. I have been married to this same wonderful man for more than ten years. Our sex life is pretty normal. We do it once or twice a week still, even though when we were married it was four to five times. But that's another story. Then about two months ago, I met RoseAnne.

She's a beautiful brunette with a body men go crazy over. She twenty-five and a bodybuilder-type. She's very strong yet very feminine. I have a nice figure myself, but next to her I realize there's plenty of room for improvement. RoseAnne and I met in the laundry room of our apartment complex a couple months ago. She was just finishing her wash and was putting her clothes in the dryer when I came in. RoseAnne was wearing a tight white tank top and blue shorts. I

could see her nipples standing up beautifully, and her ass looked magnificent.

As we talked, physical fitness seemed to dominate the discussion. When I told her I wanted to lose fifteen pounds, she suggested we work out together. Then she suggested I come over to her apartment to do aerobics. Shortly thereafter we began working out together.

I admit that we were also doing something other than working out... It had been a couple weeks and after every sweaty session, I was looking more and more at her fit body. I'd notice her bodysuit clinging to her, showing her beautiful breasts as if she wasn't wearing anything at all. RoseAnne was warm, open, friendly and beautiful; I couldn't help but find her attractive. I'm not sure exactly how we even got started, but I found myself

kissing her. The first time we made love was incredible, the passion flared, and I've loved her ever since.

Two months later, RoseAnne and I get together twice a week still, but not for aerobics. I still fuck my hubby twice a week. I should feel great but I don't. I want to tell him about her, but I'm afraid he might end our marriage. We've never had any secrets from each other.

I talked to RoseAnne about my dilemma and she offered an interesting solution: a menage a trios. We've formulated a plan where the two of us would approach him about it. We know he can't refuse.

– Selene, Reno

To the editor:

For the past two years I've been having an affair with a very lovely woman

named Grace. I would see her every time I had business in Denver. She meets me at the airport wearing a suit and carrying a sign with my last name on it. Yes it's a ruse, but it makes us feel a little better about things.

In order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today it's to some unnamed place. I asked what that meant and she told me to just wait until we got there. It was 9pm when we started out so I guess it wasn't a restaurant, but when we pulled up to a strip club, my face flushed red. I hadn't been to one in almost twenty years. We go in and are escorted directly to the upstairs VIP room. I didn't ask how she got it. There are floor to ceiling windows and the entire club is vibrating below us.

We watched for a while through the big plate glass window as half naked girls brought in champagne. There were a couple topless girls gyrating discreetly in the back of the room. I pulled Grace towards me. I started to kiss her and she willingly responded to me – then walked me back toward the sofa. We sat down on it and she motioned for one of the

dancers to come over. "This is Celeste," Grace said and stood up so Celeste could sit next to me. In the back, I heard the other dancer lock the door and turn off the lights. Celeste then unbuttoned my shirt and undid my pants and pulled them off.

Celeste's nipples were as hard as bullets and she whispered that her pussy was wet for me. My cock was rock hard in anticipation, but I had to look at Grace for approval. She smiled and whispered 'Go for it.' Grace could see that I was enjoying myself. It kind of excited her.

Celeste in just her shiny panties and clear-soled stripper shoes. She slowly she wiggled out of them. The farther down they went, the more she bent over. She took a quick look at me and noticed that I was already at full attention. Now my attention was more towards her than to Grace. Celeste didn't even have my boxers completely off before my cock was in her mouth. I moaned as she slowly sucked the head of my cock and ran her tongue in complete circles around it. I couldn't believe this was happening. In my mind I kept saying to myself that there was no way this was happening.

Celeste's mouth released my cock and she shimmed up onto the overstuffed arm of the sofa and spread her legs, giving me a perfect view of her completely shaved pussy. I sat there staring at it with my mouth open. I watched her rub it a little and then insert a finger inside. She then took it out and used it to motion me over to her. I slid over and she put her finger in my mouth. After I licked it, I lowered my head into the place where it was and lapped up her sweet pussy juices.

I wanted my tongue on it and in it. Never once did I take my eyes off of her pussy. I could hear my breathing into her womanly scent. When my breath hit her clit, it sent a shiver throughout her young, naked, spread-eagled body. Celeste wasn't ready for that. The feeling of blowing on her clit sent a shiver up her spine. She made a little noise that was kind of like a gurgling squeak. That actually excited her more.

Celeste reached to squeeze one of her nipples between her thumb and finger. Her nipples appeared to be harder than before. She could feel me start to lick her pussy so she just closed her eyes and leaned her head back. She wasn't aware of anything or anyone else. The only sensation for her was my tongue on her pussy. She reached down and held me by the hair.

She knew I wasn't going to go anywhere since having hold of my hair, she knew that my tongue didn't have a chance to leave. Tommy knew right then Amanda wasn't going to let his tongue leave her pussy. Every time I would run my tongue over her clit, she would pull my head down and thrust her hips up at the same time. On the next thrust of her hips, I shoved my tongue inside her as deep as I could.

Celeste was so close to her orgasm that she was having trouble keeping herself under control. With every

thrust of my tongue into her, she moaned louder until those moans turned into orgasmic groans. She came all over my face and finally released my head. I moved it up her body and began biting on her nipples, first one then the other. She threw her head back and groaned some more.

Then I sat back on the sofa and she followed me like a cat after prey. With my cock now only inches away from her mouth, she took it and started sucking eagerly taking it deep inside her mouth fondling my balls as she took as much of it as she could. As I neared my climax, Celeste sucked even harder on my cock. I shot a huge load of cum into her mouth and she hungrily swallowed every last drop.

Grace then came to the front of the sofa with two glasses of the bubbly and handed one to each of us. She smiled at us and said that was quite a show.

One of our favorite pentagenarians is back. Sultry Kelly Leigh shakes her ass and gets her mouth and pussy filled with another big cock. This truly seems to be her favorite pastime as she spends a lot of time at it.

Kelly

We've seen her do it during the day and we've watched her at night. She's done it on her knees, her back her tummy, even upside down. It's obvious to us that Kelly loves to fuck so we're officially dubbing her the Kel-Leigh Fuck Machine!"

June is sexy and horny all year long. She loves the hot sultry days of summer; and just adores snuggling in the winter. When the rains are pouring she's making herself wet; and when it's been sunny, she's getting ready for nighttime.

June

We asked her what's her favorite thing to do in her favorite time. Her answer: "I like to fuck any time, all the time, anywhere. With someone special."

It's obvious I love to fuck. If there's a large cock in the room, I seek it out like a heat seeking missile. I pounce when the time is right and I'll take it down. Take it down my throat that is. And then I'll decide what other places I want it to go. There are times when I could fuck several men in a day, now I've cut way back and select quality. There's still nothing like a good fuck.

*I thought I'd caught my neighbour spying on me with binoculars.
It was just my reflection in their bedroom mirror, though.*

seems like the older I get, the better IT gets

love thy neighbor, again

YES, IT'S A GOOD RULE TO LOVE THY NEIGHBOR, BUT BE SURE TO DO IT MORE THAN ONCE.

Our neighbors on the left are very quiet and elderly, while on the right is a professional couple. The lady who lives there, Alecia, has one of the most beautiful butts ever. Even my wife thinks so. Alecia's husband, Nick, is rarely seen. He's a software trouble shooter for a large company and they keep him jumping around the country for weeks at a time. We live in the burbs of Philly where there are two other houses on either side of ours. Our homes have private backyards with pools. Therefore Alecia, my wife, Tennley and I, sunbath in the nude. We often talk to each other across the fences and through the bushes that separate the property.

Now, Alecia was in the habit of walking around her backyard in the buff. She could get away with that because we live in a very isolated location. She loves showing off and stuff. Tennley, my wife is also a very beautiful woman. A bit shorter than Alecia but with a curvy tight figure for her 44 years. As it turns out, neither Alecia or Tennley have any cellulite on them and both are clean-shaven down there. Yes, I know that. Anyway, it started almost immediately after moving into our home. The two ladies would routinely talk over the fences when they were on the decks.

However, one day, Tennley and I were out back and noticed that the tall plants and bushes between our two properties, that had been quite thick and provided privacy for us, had been trimmed back considerably. Anyway, the loss of privacy didn't bother us as we had been having sex around the pool for several months while the landscaping had subtly changed due to Alecia's constant pruning.

Occasionally we'd find Alecia walking around to the outside of our fence and she'd begin chatting with us. Then we started inviting her to join us for some refreshments by the big umbrella and enjoy a cool drink. We all talked about how great it was to be free-wheeling spirits and enjoy our lives and bodies. A couple of times Alecia surprised us as Tennley and I were fooling around in the back pool area. Tennley was giving me head and immediately stopped at being discovered. Alecia acted as if she hadn't seen us doing anything. I also started to think that Tennley would sometimes instigate our love-making when she knew Alecia would be in her back yard and may just 'stop by' to talk. I never said anything because I didn't want it to stop. It was too much fun.

Tennley suddenly leaned closer to Alecia's ear and said something. Alecia tilted her head and looked in my direction, smiling at me as she did.

When Nick was home, we saw very little of them, but on hot nights when their bedroom windows were open, we could sure hear them. It seems that sex after being away for a couple weeks was louder than when he was at home for a while. Another couple weeks go by and I'm out in the front driveway washing the car and see Nick once again headed for the airport in his business casual. We exchange some small talk and I wish him a successful trip. I finish with the car and pull it into the garage. I closed the garage door and walked back through the house headed for the pool to cool off.

I changed in our little area and went out only to see my Tennley already rubbing sun tanning lotion on Alecia's bare back and equally bare buttocks as she lay face down on a pool side deck lounge. I wasn't too concerned not wearing anything as the girls were already naked and we have spent many hours pool side nude. Tennley saw me come onto the deck and flashed a great big smile as she was rubbing Alecia's backside, knowing damn well she was teasing me by doing that. Tennley suddenly leaned closer to Alecia's ear and said something. Alecia tilted her head and looked in my direction, smiling at me as she did.

I stepped under the outdoor shower and started working on getting the sweat washed off. Just as I was about to turn off the shower, I turned around and saw Tennley and Alecia walking towards me. When they got to me, Tennley grabbed the bar of soap and handed it to me saying it's so hot, how about soaping her up, too. She knew our soap game leads to some great sex, so I soaped her up as requested, spending extra time on her breasts and then turned her around so I could soap up her buttocks. My dick was getting hard, very aware that Alecia was watching us from only five feet away. I knew that Alecia had watched us before, but always from her side of the fence.

Alecia kept smiling and watching us but seemed unsure of what to do. My ever-thinking wife realized this and reached out and pulled Alecia between us. Then Tennley grabbed my arms and pulled me tight against Alecia, who happened to be facing Tennley.

Since we already had plenty of soap on our bodies, we started rubbing Alecia's body with our soapy bodies. As you can imagine, by now I was so hard that it felt like my cock was going to explode, it was so stiff. Alecia felt it too, pushing against her ass cheeks. She began slowly moving her ass up and down, left and right, back and forth. My hands somehow found their way up to Alecia's full breasts and hard nipples. As I looked over her shoulder, Tennley was smiling at me and proceeded to French kiss Alecia hard on the mouth while looking me directly in the eyes. That's also when I noticed both girls were massaging each other's clits with their hands.

M o m e n t s later, Tennley placed her hands on my ass and gently spread my cheeks apart. A second later I felt her tongue sliding down my ass working its way towards its final destination. At first she licked at my asshole tentatively, with short flickering movements, but soon began giving me long, lewd licks from the base of my balls all the way up to my tailbone. I looked back between my legs to see her hand back at work between Alecia's legs, so I helped out by reaching back and spreading my ass cheeks. Tennley started moaning into my ass as she licked with renewed lust. I closed my eyes and gritted my teeth, wishing that I could see this beautiful woman tonguing my asshole.

Tennley told me to put my leg up, giving me a playful slap on the ass. I did as I was told exposing myself even more. Alecia reached down to slowly stroke my dick, but I couldn't help but be amazed by the degree of Tennley's nastiness. Tennley planted a soft kiss

*Looking down at this beautiful woman,
sucking my dick, as my equally gorgeous wife
sat behind her, was way too much.*

right on my asshole. I groaned in pleasure, which only encouraged her. Tennley's tongue massaged my hole as she brought her hand up to massage my balls. It felt so good but I was sure I didn't want to end our little session early. By the way she was moaning, one would think that it was her getting rimmed, but Tennley was genuinely enjoying herself. Finally we let the shower rinse the soap off of us. We moved over to the deck loungers and pushed them together.

Tennley had Alecia lay down on the chairs on her back. Tennley knelt down on the towel and pro-

ceeded to lick Alecia's beautiful clean-shaven pussy. Standing there, I couldn't stand it. There was my beautiful wife licking and fingering our neighbor. Tennley's tanned ass was beckoning me, smooth and silky from the shower. I knelt down behind Tennley and entered her soaking wet pussy with my man-missle. I felt Tennley shudder as I penetrated her. It was

an incredible feeling, looking at two perfect female specimens while thrusting away inside one of them wondering when it would be the other one's turn.

Much to my surprise, Tennley was great at eating pussy. Alecia's legs were up in the air, flailing all over the place and as her right leg came up over Tennley's head I leaned forward, pulled her foot towards my mouth and began sucking on her long toes. They were long with a beautiful French pedi that any man would be proud to suck on. Then I noticed Tennley had stopped fingering Alecia and was now just slowly licking her pussy. It was then that I felt a sudden gush of liquid around my groin area. Even though I was still penetrating Tennley, the feeling was one of warm water being poured over

my dick, balls, and running down my legs. Tennley had squirted on me. She has only done that once or twice before, especially when she rides me cowgirl style and I massage her clitoris.

Tennley laid her head on Alecia's stomach for a moment, breathing heavily. Alecia stroked Tennley's hair while I slowed my thrusting, not wanting to cum yet. I was hoping that maybe Tennley would let me have Alecia. Alecia had been staring directly into my eyes, not saying a word, but saying everything with her eyes. Eventually, Tennley raised her head, still feeling me hard inside of her, and moved forward, pulling away from me. She moved around Alecia and had her sit up. Tennley told me to stand up and asked Alecia if she still wanted to do this? She instantly replied 'Yes!' So, there I am. Standing with my dick hard as a rock, dripping from Tennley's puss, Alecia leans forward, grabs my dick and pulls me forward, inhaling my dick in her mouth. She moves her tongue around the head and shaft, and holding the base of my dick in her right hand, with her left, she's cupping and gently massaging my balls. Needless to say, I love it.

Looking down at this beautiful woman, sucking my dick, as my equally gorgeous wife sat behind her, was way too much. Alecia looked up at me and must of realized it too. With that, Tennley pushed Alecia back down on the lounge and I mounted Alecia as I was almost ready to explode. I was terrified I was going to lose control instantly and desperately wanted to make a great performance. Alecia's, pussy felt different; a little tighter, with a different texture, but just as fantastic as her smooth tanned body moved below mine. It is hard to explain all of the feelings that went through me, but I exploded with a loud groan as Alecia's pussy tightened and relaxed, tightened and relaxed, over and over again. Her pussy literally milked my cock dry.

Dizzy, I began to try and stand up as I pulled out of Alecia. As I looked over at Tennley, she flashed a beautiful smile. The day continued at a slower pace, sex, sex and more sex. That was a first and a wonderful Saturday. Little did I know that Sunday would be even better, but that is another story.

My friends couldn't believe I was going to do adult-type photos. I explained it would just be me and a toy and not with a guy. While that was some relief to some of them, most still thought it was too risqué for a woman my age.

Mia

I don't know what they were thinking. What does 'my age' have to do with anything. I feel young and vibrant and I still have a high sex drive. I'm just not ready to have me photographed while doing a man. Now a toy, that's a different story.

A woman with blonde hair is lying on her back, looking towards the camera. She is wearing white lace underwear. She is holding a red vibrator in her right hand, which is positioned near her groin. Her left hand is resting on her hip. She has a ring on her left ring finger and a ring on her right ring finger. The background is a purple and pink patterned fabric.

Well, now that it's done, I have to admit I was really nervous. I think it shows in my earlier photos, but by the time we were finishing, I was into it and got really comfortable. I actually enjoyed the vibe in my pussy, but most of all, I thought it was a little weird as to how much I liked people watching me, and the director telling me what she wanted of me.
